

Chamber Plan To Fete Tie-Breaking Family Revealed

Tentative plans for the reception of the family which will cross the border of California to bring this state's population ahead of New York state, are being made by the Truckee Donner Chamber of Commerce.

This is expected to occur during November or December and the chamber has asked and received the cooperation of Senator Ron Cameron and the office of Governor Edmund G. Brown. Details are being handled by Chamber President Richard Higgins and Carson White, originator of the plan.

Just what course the reception will take is yet to be determined, but it is hoped to make it a rather festive event, with red-carpet both here and in Sacramento, Higgins said.

State officials are being contacted to keep close track of the incoming residents so that when the California population is tied with that of New York, the tie-breaking family or person will be known. They will be greeted at the Truckee quarantine station by the chamber delegation and feted in royal style, if present plans can be completed.

Thus, this area can come into national prominence at the same time California becomes the nation's largest state.

Folsom Crew Back After Fire Season

The 32 Folsom inmates, termed the "Hot Shot" crew, stationed near Hobart Mills during the past summer, have departed for Folsom, Ranger George Steed of the Truckee District of the Tahoe National Forest, reported.

Steed said he hoped the inmates would return next year and complimented them on their behavior. No trouble was caused and no attempted escape was reported.

Among the proposals are a rescue unit and first aid classes under the direction of Dave Clements; a sign painting program for the winter utilizing the Junior Horsemen and interested adults under the supervision of Lee Hall and joint rides with other clubs under the chairmanship of Lloyd Van Sickle.

A program of training juniors in riding and handling horses will be undertaken by Mrs. Henny Williams of Squaw Valley and other projects will be announced.

Not at all pleased with the unkempt condition of the main street, carelessly littered debris, a group of women and children Tuesday took it upon themselves to do something about it.

Armed with brooms and shovels, the crusaders went from one end of the block to the other and two hours later had the sidewalks and gutters thoroughly polished, earning the thanks of the storekeepers and passersby for a good job, well done.

Mr. and Mrs. Robert Bowers of Reno accompanied Mr. and Mrs. Ange Besio to San Francisco where they saw a football game during the weekend.

Wolverines Face Del Oro Here For Final 1962 Game

The Tahoe Truckee Wolverines dropped a non-conference football game Saturday afternoon on the Truckee field to the Wheatland High School by a score of 40 to 20.

Tahoe Truckee's quarterback, Butch Smith scored the first touchdown in the first quarter for the locals on a quarterback sneak. The conversion was good. The Pirate's halfback star, Frank Slemper scored for Wheatland in the first period but the conversion failed and at the end of the quarter Tahoe Truckee led 7 to 6.

Dave Williams, on two long runs, scored twice in the second quarter and at the half, the Pirates led 20 to 7.

In the third frame, Quarterback Norman Doolittle on a quarterback sneak, again scored for the Wolverines but Slemper came back to score twice on long running plays and at the close of the third period, Tahoe Truckee was on the short end of a 33 to 14 score.

The Wolverines scored again in the final quarter when Louis Mintique ran over the line and Jon Blaise for the visitors intercepted a Wolverine pass, scored and the game ended 40 to 20.

In the preliminary contest, the Wheatland JV's won 13 to 7 in a hotly contested game.

Coach Ken Holback selected Butch Smith as the outstanding offensive player for the week and named Mike Kehoe as defensive player for the period.

Both Joe Straub and Jim Grady were out of the game with injuries. Grady suffered a broken leg during the first quarter of play and Straub was out with a pulled ligament.

MEET DELAYED
The meeting of the Truckee Sanitary District scheduled for Tuesday has been postponed because of the election until November 13, President of the Board James McIver announced.

Naturally, we would like to be able to dictate your vote at Tuesday's election, but that is not the thing to do under our system of government. The thing to do is for you to familiarize yourself with the candidates and issues and then follow the dictates of your judgment. However, there is one issue on which all candidates agree, and this is the matter of casting a vote on November 6. Too often we say "what's the difference—my vote doesn't count." This is stupid reasoning and could have very dire results if everyone felt that way. Henry MacArthur in his "Affairs of State" says the question arises frequently as to why a large portion of the state's citizens refuse to become interested enough in the people who govern them, and in the laws by which they are governed, to take time out to register and vote. There are many answers to the question and one guess is as good as another as far as basic reasons are concerned. While the privilege of democracy was won by the nation the "hard" way, present generations have the freedom handed to them. And when a gift becomes commonplace, it is not appreciated. By all means vote Tuesday.

Two Are Injured In Freak Accident Near State Line

Two Carmichael men, William Hanifen, 44, and Lorin Cook, 56, the latter a brother of Arthur Cook, Truckee plumbing contractor, were hospitalized for injuries Sunday night at 5 o'clock as a result of an unusual accident at Farad.

The pickup truck, driven by Hanifen careened down a 75-foot embankment after being struck in the rear by a pickup operated by Norman Parker, Verdi.

Cook was treated at the Tahoe Forest Hospital and later removed to the Washoe Medical Center for an operation for a fractured skull. Hanifen suffered lesser injuries.

According to the investigation by the highway patrol, Cook and Hanifen were on a hunting trip traveling east. Parker, who had been to Truckee in an attempt to get someone to care for his two small children following a divorce from his wife the day before, said his small daughter, Donita started to fall from the front seat. He reached to save her and momentarily lost sight of the vehicle he was following.

Before he could gain control, his pickup struck the rear of the Hanifen pickup causing it to get out of control and plunge down the embankment.

The little girl was treated for facial injuries but Parker and his small son escaped injury.

Lions White Cane Day On Saturday

The Truckee Lions Club has set Saturday, November 3 for their annual White Cane drive to raise funds for their sight conservation and aid to the blind activities.

On that day members of the club will be on the streets of Truckee to distribute miniature White Canes and accept donations so they may carry on their sight conservation policy.

The main project of all Lions Clubs throughout the nation has always been sight conservation and aid to the blind.

In Truckee this aid has been principally to assist needy children who are in need of eye examinations or eye glasses.

It is hoped that all the people in the community will wear a White Cane on White Cane Day.

Prosser Dam Big Asset To Region, Speakers Declare

More than 150 people, many of them from Truckee, Monday afternoon attended the dedication ceremonies marking the completion of the new Prosser Creek dam.

Speakers emphasized the value of the new project as a recreational center where the forest service is developing camp sites, boat launching ramps and picnic areas. Subdividers, too, are designing ideal home sites.

The program at the dam started with a selection by the Tahoe Truckee High School band which also played at the conclusion of the affair. Rev. Roy Rhoades gave the invocation. A plaque was unveiled by Sen. Alan Bible of Nevada and John Carver, Jr., assistant to Secretary of the Interior Stewart Udall who was unable to attend.

Both Bible and Carver were among the speakers as was H. Richard Smith of Carson City, chief of the Lahontan Basin projects office.

Tahoe Forest Supervisor Henry Branagh and District Ranger George Steed, led the visitors on a tour of the recreation facilities and told of future development plans.

Following the well-timed dedication ceremony, the official party returned to Reno where a banquet was enjoyed. President Richard Higgins, Manager N. F. Dolley and Francis Longo represented the Truckee Donner Chamber of Commerce at the banquet.

The \$5,000,000 Prosser Dam is the first of a series of projects planned in the huge Washoe project.

School Gains From U. S. Forest Lands

Of the \$17,841.52 allocated to the schools of Nevada County from the federal forest reserve fund for the Tahoe National Forest and \$6.29 from the Toiyabe National Forest, the Nevada County portion of the Tahoe Truckee Unified District receives \$4,977.34.

This was shown in a report by Edward G. Fellersen, county superintendent of schools.

The district will also receive its share of the allocation made to Placer County. The allocations are based on a formula taking into consideration, assessed valuation, forest acreage, and other factors. The report shows the assessed valuation of the school district at \$8,901,060 in Nevada County and the forest acreage at \$44,391.

Sabin Vaccine To Be Administered In Area Sunday

Type II of the Sabin oral vaccine will be administered in the same manner and at the same places as Type I Sunday, November 4, and all persons are urged by the Placer-Nevada Medical Society to take advantage of the service.

In Truckee the vaccine will be available at the old elementary school on Church Street between the hours of 11 a. m. and 7 p. m. and at North Lake Tahoe during the same hours at the Tahoe Lake School in Tahoe City, Miss Ruth Knight, district school nurse, advised.

Those who did not take Type I may go ahead and take Type II, but Type III will not be given until a more thorough study of the effects of recent tests is made, medical officials declared.

The vaccine is intended for everyone, adults and children and will be given free if the moderate donation of 25 cents per dose is not available.

Local doctors and nurses will supervise the clinics Sunday with voluntary assistance.

Old Donner Trail Will Be Re-marked

At Monday night's meeting of the Truckee Donner Horsemen's Association, Lee Hall was appointed chairman of a committee to make signs to replace the lost and worn ones that marked the old Donner Trail.

The late Dr. P. M. Weddell, who spent his vacation remarking the ancient trail, placed numerous signs along the route but many have been defaced and lost and Hall will attempt to replace these valuable markers.

Hall is offering his shop facilities as a place to make the signs and this will be one of the projects for the Horsemen and Junior Horsemen during the winter.

Many Issues Face Voters In Tuesday General Election

While there are no local candidates to be elected at Tuesday's general election, interest is mounting for the several hotly contested state offices and the 25 propositions to be decided.

All of the county officers were elected at the primary with the exception of a supervisor in the fourth district to replace the incumbent, Guy Robinson.

The principal interest of course will be in the gubernatorial race in which the incumbent, Edmund G. Brown faces opposition from Richard Nixon, one time vice president and aspirant for president. Robert Wyckoff is the prohibitionist candidate.

In the lieutenant governor race, incumbent Glenn Anderson is opposed by Mayor George Christopher of San Francisco. Frank Jordan, secretary of state is opposed by Don Rose.

A three way race is being run for controller with Alan Cranston facing Bruce Reagan, a republican and Frank Stevens, a prohibitionist. There is also a prohibitionist in the treasurer contest where Bert Betts, principal opponent is John Buserud, a republican. Leslie Rice is the pro-

THE CHANGING SCENE

ONE OF THE MOST POPULAR EVENTS AT THE COUNTY FAIR OF 50 YEARS AGO, WAS THE TEAM PLOWING CONTEST. ALTHOUGH THE CONTESTS REMAIN ON THE PROGRAM AT SOME COUNTY FAIRS TODAY, THE WORK HORSES ARE KEPT FOR SENTIMENTAL REASONS OR "HOBBY" PURPOSES.

OF MORE PRACTICAL INTEREST TO FARMERS ATTENDING COUNTY FAIRS TODAY ARE THE TRACTOR CONTESTS. POWERFUL TRACTORS AND MOTOR FUELS MAKE THIS COMPETITION EXCITING. HERE, FOR EXAMPLE, AN LP-GAS FUEL TRACTOR PULLS AHEAD. LP-GAS IS GROWING IN POPULARITY AS TRACTOR FUEL BECAUSE ITS HIGH PLUS OCTANE RATING DELIVERS GREATER POWER.

DONNER DOINGS

The mayor of Donner Lake, Ivan Toft, informs us that several of the ladies of the Fire Department Auxiliary have petitions you can sign if you would like to see us join the Truckee Sanitary District. Sewers are a must if the lake is to continue to grow and prosper.

The Donner Lake Association has asked the Sierra Pacific Power Co. to make a survey to determine the feasibility of installing street lights along the lake. Besides the light which we need very badly, lights might help curb the vandalism and crime that has been occurring along the lake.

We just received word that one

of our more illustrious citizens burned his station wagon to a crisp on the Bayshore Freeway the other eve. We are happy to report that Cecil Ball was not hurt.

Have you noticed the colorful cotton woods raising their autumn heads out of a sea of green at the west end of the lake—certainly is a beautiful picture. . . the lake is so calm these past few days it looks like an endless mirror. . . Have you noticed the handpainted eaves on the King Cole house at the east end of the lake . . . very different and colorful.

Happy birthday to Mrs. Rusty Randall, who celebrated this past week with family and friends.

Would like to welcome Chuck Bakers two youngsters home from Ohio. This coming week . . . the end of a season . . . fishing and

hunting . . . leaving us with little to do but painting and cleaning up getting ready for winter once again. . . Speaking of winter it must be just around the corner, as evidenced by the colorful little Christmas baskets that are seen in many of the business establishments. They are donation boxes for the annual children's Christmas Party sponsored by the Truckee Fire-ettes.

TNT TIDINGS

By Claus Brandlin

A pre-game rally was held on Friday, October 26, in the gymnasium of Tahoe Truckee High School. Yells and songs, led by our cheer leaders and song girls, and a stirring speech by Kris Felte, student body president, all helped in raising the spirit of the students. The student body rally for the final game of the '62 season will be held next Friday, November 2.

The Junior Auxiliary, a service organization, met on Monday, October 29. This organization, composed only of girls, helps in the hospital. Their job is taking meals to the patients and making dolls for the children.

On Tuesday, October 30, all students who drive a car to school held a meeting. The main point of the meeting was a discussion of correct car handling on or near the school campus. It was decided the car activity on the campus and the road in front of TNT during the noon hour should be stopped.

On Wednesday, October 31, the boys and girls had separate assemblies. The girls connected it with the monthly Girls' League meeting to discuss organization business and entertainment.

The boys saw the movie, Force and Readiness, put out by the United States Marine Corps.

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

IN CALIFORNIA, despite the blizzard of '62, stagecoaches kept rolling on the Salt Lake City to San Francisco run. After arriving in California these rugged travelers often relaxed with a refreshing glass of beer.

For even then, beer was the traditional beverage of moderation. Beer still provides enjoyment for Californians, as well as a good living for the 26,300 employees and the many suppliers of the California Brewing Industry.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

RENO DRIVER FINED IN TRUCKEE COURT

Cliff Devine, 51, Reno, employed here on construction work, was fined \$386 by Judge F. W. Wilson in the Truckee Judicial District Court on a charge of drunk driving. He was arrested near the airport road on Highway 40 Saturday by Patrolman Bud Meixner and William Gautsche.

Power Failure

A failure in a circuit breaker on the line on West Main Street Tuesday night caused an interruption in electric service in some areas in the west portion of Truckee. The power failed shortly after 6 p. m. but was restored less than two hours later after the Truckee Public Utility crew corrected the fault.

LOCAL GIRLS SEEKING SIERRA QUEEN POST

With Homecoming only a week away, nine Sierra College coeds are vying for the honor of being chosen Homecoming Queen. Deadline for nominations is this week, with students to vote for their choice on November 6. The queen will reign at Homecoming activities Friday, November 9 and Saturday, November 10. Activities will include the Yuba-Sierra football game, a parade, rally and dance.

The nine contestants are a cross-section of the wide-spread college district. They include Tina Gruendemann, sponsored by the student teachers group, of Kings Beach and Kitty McWilliams, of Kings Beach, the freshman class representative.

KAREN RIGOR QUEEN CANDIDATE AT U. P.

CRYSTAL BAY — Eleven University of the Pacific coeds, including Karen Rigor of Incline Village, are competing to reign over the university's 1962 homecoming festivities November 3. Names of the homecoming queen and her court will be announced during the Friday evening rally.

Miss Rigor is majoring in music, representing Squad D in the contest. She lists her interests as sewing and water skiing and her hobby as playing the piano. The candidates appeared on television channel 13 Monday afternoon.

TAHOE SKI CLUB TO OPEN BIG SEASON

TAHOE CITY — Having welcomed the first snow of the season the Tahoe City Ski Club start their winter activities with a bang. Anyone having any questions regarding the activities offered by the club are cordially invited to attend the champagne buffet, November 2 at 7 p. m. at the Crystal Bay Club. Price 2 per person. (Adults only).

There will be a season pass for Alpine Meadows and a pair of Thunderbird skis given away at the dinner. Tickets may be obtained at Porter's, the Village Store, the Tahoe Inn and also at the party.

SAFETY DEVISE WILL BE DEMONSTRATED

A demonstration of real interest to all motorists will be conducted at 3 p. m. at Smart's parking area when Elmo Granata, safety engineer from Reno will demonstrate the highly publicized Gyro-matic Safety Control, manufactured by the Nevada Research and Manufacturing Corp. of Reno.

The new automotive innovation is a simple device which fits neatly into the trunk of a car and avoids skidding and keeps the vehicle on an even keel in ice, wet pavement and under other conditions such as curves, sudden stops and the like.

The parking area will be covered with foamite by the Truckee Fire Department and the highway patrol will supervise the demonstration with full cooperation from Constable N. F. Dolley and other local officers.

The Gyro-matic has been endorsed by the Nevada Department of Motor Vehicles which put the device through rigid tests. It has been used since March, 1960 in highway patrol vehicles with good results, Louis P. Spitz, director of the department of motor vehicles, said. The San Francisco Fire Department also approves the device.

The public is invited to witness the tests Sunday and one of the stabilizers will be given away at the time, Granata said.

CHRISTIAN SCIENCE PROGRAM ON RADIO

One of a special group of four programs on the subject, "Should Religion Heal?" will be broadcast over station KHOO next Sunday at 5:15 p. m., as part of the new Christian Science radio series, "The Bible Speaks to You."

A number of recent Protestant church reports on divine healing will be quoted on the programs.

Party Time—Sandy Davis, with her parents, Mr. and Mrs. William Davis entertained at an early Halloween party in their Donner Lake home for young friends of the hostess. Games and refreshments were in the chosen theme.

PILGRIM FELLOWSHIP PROGRAM SUNDAY

SQUAW VALLEY — The young people of all faiths are invited to an evening of fun, fellowship and discussion at the United Church of Christ in Squaw Valley, Sunday at 7 p. m. The invitation is extended by the Pilgrim Fellowship of the church.

Rev. Frank Evans will lead a discussion following the film on "youth culture" and the place of religion in it.

Following the discussion Jim Licklider, teacher of Tahoe Truckee High School will lead the group in the singing of folk songs around the central fireplace.

Refreshments will be served and then to conclude the evening the group will be led in worship by the host group. All teen agers, 9th through 12 grades are cordially invited to attend.

ELECTION (Continued from Page 1)

hibitionist.

A heated contest is being waged between incumbent Stanley Mosk and Tom Coakley for attorney general. Paul Leake is unopposed in his bid to return to the third district board of equalization post.

Senator Thomas Kuchel is opposed by Richard Richards of Los Angeles for his position while Harold T. (Bizz) Johnson faces Fred Nagel in the congressional race.

Paul J. Lunardi's opponent for member of the state assembly is Ray Taylor.

In one of the most bitter battles of the election, Ralph Richardson and Max Rafferty are fighting to the finish for the post of state superintendent of public instruction.

There are a number of controversial propositions to be decided among the 25 listed on the ballots.

Principal among them is No. 23 which would disrupt the state's established government by reapportioning the senate, giving Los Angeles more representation at Sacramento and taking away the balance of power now in effect.

Proposition 1A, defeated at the primary but reinstated for the general election, would provide a bond issue of \$270,000,000 to provide facilities for state colleges, hospitals and narcotics control.

While most of the propositions are of a non-controversial nature, they are each important and voters are asked to study them carefully and look for the "bugs."

Polls in all precincts will be open from 7 to 7 Tuesday and everyone is urged to take a few minutes off and vote.

WEST SHORE NOTES

(Continued from Page 2)

Connors and Breznie Cross. Twist contests were won by Roberta McClanahan and Tommy Hoff.

Chaperones at the party included Ginny Duttweiler, Gladys McClanahan, Betty Starratt and Paul Steinhauer.

Kathleen Starratt has returned from her Wyoming ranch to winter at her Tahoe City home.

Recovering from surgery at St. Mary's Hospital in Reno is Louise Scoville of Pineland.

Just returned from a 10 day duck hunting trip near Brigham City, Utah are Squaw Valleyites Herb Beck and Hank Smith.

Mr. and Mrs. Ralph Rauscher entertained at a "spook" Halloween party at their Cedar Crest home last Saturday night. Guests at the party, which featured eerie sound effects, were members of the TST and their husbands.

Wearing attention getting costumes were Louise Scoville as an injured football player and Ginny Duttweiler as an old laundry bag.

Mrs. Lee Baker of Squaw Valley is hospitalized at Tahoe Forest Hospital.

The Ray Skerry of Squaw Valley entertained at a "small fry" Halloween party on Halloween Eve. A session of "trick and treating" was followed by a wiener dinner.

The two sixth grade classes of Tahoe Lake School participated in an exhibition spelling bee held at the school last Friday afternoon. Many parents witnessed the match which featured a rivalry between the two grades taught by Mrs. Virginia Rogers and Mrs. Gayle Brower. Winner of the bee was Mrs. Brower's class.

Cocktails, dancing and a midnight buffet were in order last Saturday night at the costume Halloween party tossed by the Squaw Valley Sporting Club at Sunny-side Lodge.

Costume (for famous persons, past and present) prizes were awarded to Joan Klaussen as "Little Black Sambo" and Pete Johnson as "John Brown." Honorable mentions were given to Pete Klaussen who was attired as "Carol Channing" and Barbara Valery as "Medea."

AUBURN GUESTS

Mr. and Mrs. Al Bequette and the Roy Mikkelsen and Orrin Elington of Auburn were some of the out of town guests when the Kenneth Scribners entertained at a buffet supper party given in their new Kings Beach home.

San Francisco was one of the original 27 counties of the state.

ATTENDS CONFERENCE

Joe Feldstein, past department commander of the Veterans of Foreign Wars of Nevada, currently adjutant of that organization, recently returned from the national conference of department adjutants and quartermasters held in Kansas City, making the trip by jet plane. Feldstein is employed at the Sierra Sun plant in Truckee.

To Your Health

This is much more than a popular toast to your pharmacist.

Like your physician, he is dedicated to a single major cause—to keep you well and healthy.

The "ounce of prevention" adage is all-important in preventive medicine. Annual physical examinations and prompt diagnosis of illness enable your doctor to save your precious time and money.

More and more people recognize the wisdom of a regular medical checkup. It is the best way to put that "ounce of prevention" to practical use.

If a prescription is necessary, we are prepared to give you immediate service.
